related events or forwarding addresses for individual mailpieces.

(1) For the following special services, the service standard for the electronic provision of delivery-related information is that it be made available to the sender no later than 24 hours after the time of the recorded delivery-related scan performed by the Postal Service on mail for which the following special services have been purchased: Domestic Certified Mail™ service, domestic Delivery Confirmation™ service, domestic and inbound international Registered Mail™ service, domestic Collect On Delivery, domestic electronic Return Receipt, and domestic Signature Confirmation™ scans.

(2) For domestic electronic Address Correction Service, the service standard for the electronic provision of address change information is that it be made available to the sender no later than 24 hours after the time of the scan of the mailpiece by the Postal Automated Redirection System.

(b) For the market-dominant mail products identified above in part 121, mailers may purchase insurance from the Postal Service™ to provide indemnity against loss or damage to the contents of a mailpiece. The service standard for the administrative resolution of domestic insurance claims is that a final agency decision must be transmitted to the claimant no later than 30 calendar days after the date on which the Postal Service has received all information from the claimant necessary for analysis of the claim.

§ 122.2 Stand-alone special services.

(a) The service standard for P. O. Box™ service is that mail be available for pickup at the box each delivery day no later than the daily “up-time” publicly posted at the Post Office™ location that includes the box section.

(b) The service standard for completion of Address List Services (change-

of-address information for election boards and registration commissions, correction and ZIP Code placement of mailing lists, and address sequencing) is transmission of the corrected addresses within 15 business days of receipt to the requester, except for the period from November 16 through January 1.

(c) For the domestic market-dominant mail products identified above in part 121, CONFIRM® service allows subscribing customers to obtain electronic information regarding when and where mailpieces undergo barcode scans in mail processing operations. The service standard for the electronic provision of CONFIRM service scan information is that it be made available to the sender no later than 24 hours after the recorded time of the CONFIRM scan performed by the Postal Service.

(d) The service standard for Postal Money Order Inquiry service is transmission of a response to the customer’s completed inquiry within 15 business days of receipt of the inquiry by the Postal Service, excluding designated postal holidays.

(e) The service standards for Stamp Fulfillment Services order fulfillment service is shipment of orders within the following timeframes, based from the time of order receipt within SFS systems, excluding designated postal holidays.
